SECTION 1: TITLE

This shall be known as Local Law 4 of the year 2021, a local law imposing a six (6) month moratorium regulating the raising of farm animals within the Village of Mexico.

SECTION 2: LEGISLATIVE INTENT

The Village of Mexico Board of Trustees is considering the adoption of a local law that regulates the raising of farm animals within the Village of Mexico. The Village Board is of the opinion that a period of time is necessary to adequately review the current regulations relative to raising farm animals within the Village of Mexico pursuant to the authority granted it under Article 3 of the Village Law and under Sections 10 of the Municipal Home Rule Law of the State of New York, and to determine whether additional local regulations are necessary in order to preserve and protect health, safety and welfare of its residents. This moratorium will enable village officials to review and comprehensively address the issues involved with raising farm animals within the Village of Mexico. The Village Mayor and Village Board of Trustees deem this moratorium emergent and immediately necessary for the Village.
